31

When a Man Loves a Woman

126 minutes

Touchstone Home Entertainment

Rated R

Meg Ryan and Andy Garcia star in this motion picture as a passionate couple whose once stable marriage is rocked by her increasing dependence on alcohol. As they strive to overcome this challenge, they discover a renewed sense of love and commitment.

32

Whispering Spirits

28 minutes

The Justin Veatch Fund

Tells the story of Justin Vetch, a talented musician who died of a drug overdose at the age of 17. The film follows Jeffrey, Justin's father, as his family grapples with their devastating loss while reconnecting with him through the music he left behind.

33

Why Don't They Just Quit?

96 minutes

Changing Lives Foundation

Real-life solutions to help you now.

34

Without Bias

51 minutes

ESPN Films

When rising superstar Len Bias dropped dead two days after being selected as the second overall pick in the 1986 NBA draft, he forever altered our perception of casual drug use and became the tipping point of America's drug crisis in the mid-80's.

35

**Witnessing with Anonymity: Dispelling the Misconceptions that Silence the
Voices of Recovery**

Presented by the Road to Recovery

60 minutes

SAMHSA

For many, the thought of speaking out and sharing a recovery experience with friends, co-workers, community leaders, civic groups and policymakers is a daunting proposition. This program focuses on how people in recovery can provide testimonials and recount their successful recovery journey and still be respectful of Twelve Step traditions.

36

World's Most Dangerous Drug

52 minutes

National Geographic

National Geographic correspondent Lisa Ling investigates the methamphetamine “meth” epidemic to uncover the menace meth poses to society and to find out why many are calling it the world’s most dangerous drug.

37

Do No Harm – The Opioid Epidemic

90 minutes

Media Policy Center

Narrated by actor Ed Harris, it puts the spotlight on the worst man-made epidemic in our nation’s history. The film talks to leading doctors, law enforcement and other experts while following stories from more than a dozen locations including poignant narratives from recovering addicts and families with losses. In addition, it reports which drug companies are responsible for the crisis, reveals what monies Congressional members have received, and focuses on those who fight back with effective, long-lasting treatment programs. *Do No Harm* offers hope that together we can diminish – and eventually eradicate – this devastating public health crisis.

38

It Can Happen to Anyone

Problems with Alcohol and Medications Among Older Adults
